

With RetireAssist, Karidis Retirement Villages makes it easier than ever to live the retirement lifestyle of your dreams

We offer bespoke financial support options tailored to your needs – supporting you every step of the way.

Follow these simple tips to start enjoying your new independent living community:

1. Select and inspect your preferred Karidis Retirement Village home.
2. Talk to us about the different ways we can support your new retirement living lifestyle.
3. Finalise your tailored solution and book your move-in date.
4. Welcome to your new retirement living community.

Some examples of our tailored support options include:

Move in early, settle later

Tailored financial options

Deferred management fees

Agent collaboration to sell your home

Move-in assistance

Affordable housing options
